

It's About Kids.....

It's About Community....Hulme Park

This park is maintained by club members. It is the home of "Katie's Tree." Each year students from Morse Elementary School make holiday decorations for the tree. The park on the Eastbound Arterial is also the site of the Detective Falcone Memorial Flagpole.

It's About Nurturing....Poughkeepsie Child Development Center

We provide financial support to this not-for-profit throughout the year.

It's About Compassion....Catching Kids Caring

Our local anti-bullying program is based on the premise that we need to catch and reward kids for doing good deeds and activities that help others.

It's About Fun....Kamp Kiwanis

Donations allow our club to send underserved local children, many with special needs, to summer camp at our NY State District run "Kamp Kiwanis" in upstate New York.

It's About Development....HOBY Scholarships

The Hugh O'Brien Youth Leadership program provides students the opportunity to participate in unique leadership training, service-learning, and motivation-building experiences, beginning a lifelong dedication to improving the lives of others.

It's About Future....High School Scholarships

We award scholarships to local college-bound graduating seniors who have demonstrated involvement in community service. Recipients are nominated by their teachers and school administrators.

It's About Family....Community Family Development

We provide financial support to this important community not-for-profit day care center which provides child care for local children from six weeks to twelve years of age.

Kiwanis is a global organization of volunteers dedicated to changing the world, one child and one community at a time.

The Kiwanis Club of Poughkeepsie is proud to be a local chapter of this organization. We received our Charter on December 31, 1920, just five years after the founding of Kiwanis International. The Kiwanis Motto is: "*Serving the Children of the World*". Our Club takes this motto to heart and puts it into practice in all our volunteer activities, and the organizations we support.

We always welcome new members to our organization. If you would like to attend a meeting, or request information about our club, please call: (845) 486-7100 or email us at: contactus@poughkeepsiekiwanis.org. For more information visit: www.PoughkeepsieKiwanis.org.
